Statement by World Buddhism Association Headquarters

In order that the public truly understands World Buddhism Association Headquarters and H.H. Dorje Chang Buddha III, World Buddhism Association Headquarters specially states the following:

1. We at World Buddhism Association Headquarters will assume all legal liability for the veracity of this statement.

2. H.H. Dorje Chang Buddha III is a true Buddha who has been recognized as such by leaders, regent dharma kings, and rinpoches of various Buddhist sects all over the world in accordance with the more than 1,000-year-old Buddhist recognition system. His Holiness the Buddha is also the only one in the history of Buddhism to have received such a large number of recognitions. The status recognized was not that of a rinpoche; rather, it was that of a Buddha. In Buddhism, no great Bodhisattva, great patriarch, or great dharma king is above a Buddha. A Buddha is the highest leader of all of Buddhism. Moreover, the accomplishments of H.H. Dorje Chang Buddha III in the Five Vidyas are foremost in the history of Buddhism. No prior holy ones have comparable accomplishments. Such accomplishments of H.H. Dorje Chang Buddha III surpass the requirements prescribed by Nammo Sakyamuni Buddha in the sutras. A Buddha does not have the perspective of a patriarch of a certain sect or school. Rather, a Buddha has the perspective of the entirety of Buddhism, just as Nammo Sakyamuni Buddha had. A Buddha is the highest one upon whom all Buddhists rely and from whom all Buddhists learn!

3. Previously, when H.H. Dorje Chang Buddha III was still in China, He was persecuted by some public security agents because He spread the teachings of Buddhism and upheld justice. As part of their persecution, Chinese public security agents embezzled a large number of paintings and calligraphic works created by H.H. Dorje Chang Buddha III. Additionally, they fabricated a case of fraud against H.H. Dorje Chang Buddha III, making groundless assertions involving Liu Juan and Lau Pak Hun. They then reported that case to INTERPOL, seeking an arrest warrant against H.H. Dorje Chang Buddha III. However, after a detailed investigation by INTERPOL, the facts proved that the case reported by the Public Security Bureau in Shenzhen, Guangdong was fabricated and that in fact H.H. Dorje Chang Buddha III had not committed any fraud, either in word or in deed. On such basis, at the 72nd Session of The Commission for the Control of INTERPOL's Files held in October of 2008, INTERPOL decided to cancel the arrest warrant against H.H. Dorje Chang Buddha III. Also, during this time, China found out through investigation that the facts are that H.H. Dorje Chang Buddha III did not commit any crime. Therefore, on June 11, 2008, on its own initiative, China requested that INTERPOL withdrawal the arrest warrant against H.H. Dorje Chang Buddha III. On November 19, 2009, INTERPOL sent a special letter to H.H. Dorje Chang Buddha III explaining the entire process. For further details, please see the letter INTERPOL sent to H.H. Dorje Chang Buddha III.

4. With respect to the recognitions of the status of H.H. Dorje Chang Buddha III, the letter from INTERPOL, evidence that H.H. Dorje Chang Buddha III was persecuted, and other information, please go online to the website <https://ibsahq.org/buddha-en>. We at World Buddhism Association Headquarters take the teachings of H.H. Dorje Chang Buddha III and Nammo Sakyamuni Buddha as our foundation, guiding Buddhists all over the world to learn and practice the Buddha-dharma so that they will become good people who are unselfish, benevolent, and law-abiding, who contribute to society and have happy family lives, and who eventually realize the true suchness of dharma-nature and attain liberation.

A BUDDHA TRULY RECOGNIZED AS SUCH IN ACCORDANCE WITH THE DHARMA

The people on both sides of H.H. Dorje Chang Buddha III on this page are the highest present-day dharma kings and regent dharma kings from various Buddhist sects or are famous rinpoches. It is they who wrote recognitions, corroborations, or congratulations to H.H. Dorje Chang Buddha III.

H.H. Dorje Chang Buddha III is the first Buddha on earth to have received such a large number of recognitions, corroborations, and congratulations and to have been recognized as having the highest status! No other rinpoche on earth has ever received even one third of the number of recognitions, corroborations, and congratulations from great dharma kings, regent dharma kings, etc. that H.H. Dorje Chang Buddha III has received. H.H. Dorje Chang Buddha III has singlehandedly manifested accomplishments in thirty large categories involving all of the Five Vidyas, thereby establishing the highest record of accomplishment in the history of Buddhism in this world.

Certain evil people have slandered H.H. Dorje Chang Buddha III as having conferred upon Himself the status of H.H. Dorje Chang Buddha III, and they have thereby guided Buddhist practitioners toward evil. In order to protect the wisdom-roots of living beings, H.H. Dorje Chang Buddha III makes the following vow of truth: "If those recognitions, corroborations, and congratulations that follow did not come from the dharma kings, regent dharma kings, and rinpoches whose photographs appear on this page or from their temples and/or are not copies of the original texts but rather are my fabrications with forged signatures – if even one such case exists—then I should descend into hell without the possibility of ever leaving hell. If those recognitions, corroborations, and congratulations were written or typed by them as well as signed and/or stamped by them, the merit of this truth will bring to everyone wonderful blessings and wisdom!"
